## GPS™ 2000 Applicator

*A completely self-contained microfiber cleaning system*

Never use contaminated cleaners to wipe up your floors again. The GPS™ 2000 dispenses uncontaminated fluid for each new cleaning project. Use a little or a lot – you're in control. Microfiber mops are launderable.

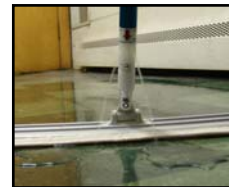

**Model 2008**

Quick fill handle  
Holds 16oz. of liquid

Easy release  
of solution
