

STOP LEAKS. STOP THE MESS.

ANNOUNCING ADVANTEX® LEAKLOCKER™

THE CHALLENGE SOLVED

Leaking trash liners are a headache of the past. The Advantex® LeakLocker™ is the ultimate solution for messy trash leaks — an innovative, disposable absorbent pad that locks in up to 1 gallon (128 oz.) of liquid and keeps it there.

Advantex®
LeakLocker™

- **Absorbs Fast** – Soaks up water-based spills in minutes.
- **Stays Clean & Dry** – No drips, no mess when removing from the receptacle.
- **COMING SOON Easy to Remove** – Built-in handle means no direct contact with waste.

Simply place a 14" x 14" LeakLocker™ pad in the bottom of any waste receptacle, collection container, or utility bulk box truck, and let it do the dirty work for days — until it reaches full capacity.

PERFECT FOR:

Stadiums | Theaters | Restaurants | Arenas | Schools

Anywhere leaking trash bags create extra work and mess!

Advantex® LeakLocker™ keeps your facilities cleaner, safer, and more efficient — so your team can focus on what matters. You will marvel at the results.

Geerpres® continues to lead the way in innovative EVS solutions, and LeakLocker™ is proof that small changes can solve big problems.
