

ESCORT® STAINLESS STEEL CLEANING CART

BUILT FOR PERFORMANCE. PRICED FOR VALUE.

Cart Dimensions: 41.05"H x 21.23"W x 40.35"L

The **NEW** Escort® Housekeeping Cart is the ideal choice for facilities seeking lasting quality on a budget. It delivers functionality, durability, and a professional appearance—all at an affordable price. The cart's sleek, easy-to-clean design features a corrosion-resistant brushed stainless steel finish for long-term performance. A Geer Key lockable cabinet keeps supplies secure and supports safety compliance, offering both convenience and peace of mind.

STANDARD FEATURES (#3646):

- **Durable Stainless Steel Construction:** Made from corrosion-resistant brushed stainless steel with a five-year warranty. Built for strength, longevity, and a clean, professional appearance.
- **Adjustable Storage Shelf:** Features 4.8 cubic feet of lockable cabinet space with one adjustable interior shelf for flexible, efficient storage.
- **Cabinet Door:** Magnetic closure keeps the door securely shut when unlocked, while the Geer Key lock provides added security for stored supplies.
- **Gripit Tool Bar:** Equipped with two tool/handle holders and a convenient hook to keep essential cleaning tools within easy reach.
- **Heavy-Duty Storage Bag:** Includes a 25-gallon vinyl storage bag positioned at the rear for collecting waste or transporting supplies.
- **Smooth Maneuvering:** Outfitted with 5" Quiet casters (two fixed rear and two front swivel) and a rear handle for effortless control and minimal noise.
- **Large Front Tray:** Features bucket stops to prevent sliding and non-marking corner bumpers to protect walls and furniture. The front tray design provides a well-balanced cart and prevents tipping.
