

ADVANTEX® SINGLE-USE FLOOR DUSTER MOP

EXCLUSIVELY OFFERED BY GEERPRES®

DON'T JUST MOVE IT. REMOVE IT.

WHY YOUR CUSTOMERS WILL CHOOSE ADVANTEX:

SUPERIOR CLEANING PERFORMANCE: Microfiber technology lifts and traps debris vs. cotton alternatives that just move it

INCREASED EFFICIENCY: Clean more effectively in less time with fewer passes

SINGLE-USE CONVENIENCE: Reduces cross-contamination and eliminates laundering costs

UNIVERSAL FIT: Compatible with most 5" frames for easy adoption

IDEAL FOR KEY MARKETS: Perfect for food service, education, and other high-traffic facilities

Help your customers stop pushing dirt and start removing it, with a solution that delivers measurable results.

ADVANTEX® MICROFIBER FLOOR DUSTER

A Smarter, More Efficient Dusting Solution for Your Customers

The Advantex® Single-Use Microfiber Floor Duster delivers a clear upgrade from traditional cotton dusting systems—giving your customers a faster, more effective way to clean.
