

# GEERPRES® CAT G7 BACKPACK FINISHING APPLICATOR

BUILT FOR SPEED, CONSISTENCY, AND TOTAL CONTROL

## Ditch the mop and bucket.

This self-contained backpack applicator can deliver up to 70% labor savings, helping your team cover more ground efficiently and effectively.

### PRECISION APPLICATION

- Dispense clean, uncontaminated solution with every use. Control the flow with trigger and valve—use exactly what you need, no waste.

### ERGONOMIC & COMFORTABLE

- Lightweight backpack design with breathable mesh and padded straps keeps operators comfortable through long shifts.

### ENGINEERED FOR EFFICIENCY

- Ergonomic swivel trigger that moves naturally with you
- Dual outlet system for even fluid distribution
- Adjustable flow valve for 20% improved output
- 1.5-gallon refillable chemical bags for fewer interruptions

### CLEANER RESULTS, FASTER

- Reduce wasted finish, eliminate inconsistencies, apply even layers of wax, and dramatically improve productivity across large floor areas.
