

# ACCESSORIES

Gum-Boy™ 1 1/4" Putty Knife  
**MODEL #5056**

Lambs Wool Dusters  
Regular and Telescopic  
**MODELS #5020 & #5021**

Metal Dust Pan  
**MODEL #5057**

**Gum Boy™ 1 1/4" Putty Knife** - Slight pressure on the Gum Boy™ handle allows the controlled-flex, tempered blade to slip quickly and easily under unwanted materials. Professional quality throughout.

**Lambs Wool Duster** - 100% virgin-lambs wool. Washable, soft-wool pile will not streak or scratch. Break-resistant, corrosion-proof handles in regular or telescopic model.

**Metal Dust Pan** - 20-gauge steel dust pan has corrugated ribs for rigidity and strength. Baked black enamel finish with beveled edge. 12" width.

**Wet Floor Cones** - Both 3-sided and 4-sided cones are available for convenient placement in work areas. Both cones are bright yellow for easy visibility. Signs come standard with top mounted sign for more eye level warning. Each sign has carrying handles built in for comfortable transportation. Cones nest inside each other for compact storage.

**Folding Wet Floor Sign** - Tough plastic sign is corrosion proof. Sign is 2-sided and 26" tall with multi-lingual warning print.
