VIRTUAL MANAGER HEALTHCLEAN SOFTWARE
Offered by Geerpres®

100% customizable productivity software to meet the needs of your client's scope of cleaning. Simply bring Geerpres® the opportunity and collect your cash!

Geerpres® is an official partner with Virtual Manager, offering a comprehensive EVS (environmental services) software management program. The Virtual Manager Healthclean Software provides real-time insight for impact on productivity and EVS outcomes. Geerpres® EVS carts can be fitted to hold tablets equipped with the software, linking employees and supervisors.
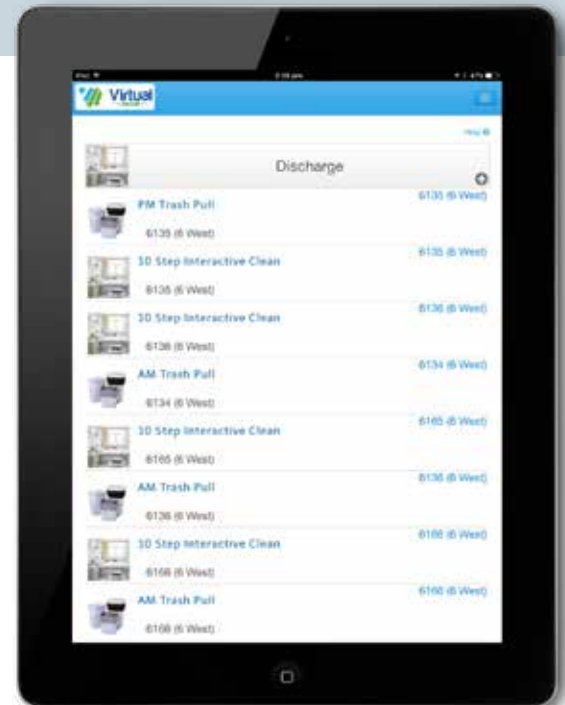

VIRTUAL MANAGER – SUCCESSFUL SELLING STEPS

1. Geerpres® Representative will introduce customer to Virtual Manager software management program.
2. Geerpres® Representative will arrange for customer to attend Monthly Training Webinar. Contact sales@geerpres.com for scheduling.
