

Project Trolley with Flip-up Access Ramp

Keep your healthcare environment clean and professional with a project cart big enough to haul everything. Our Project Trolley features 18-22-gauge, corrosion-resistant, Type 304 stainless steel construction with a 10-year limited warranty.

MODEL #3913
Project Trolley

MODEL #3912
Project Trolley Shown
with Optional Cabinet

Large 3' x 6' platform offers the space to hold a swing machine, floor dryer blower, wet/dry vac, bucket/wringer, floor cones, and much more. Access ramp, with anti-slip strips, allows for easy loading and unloading of heavy equipment and flips up for moving and storing of cart.

Features

- 5" double-bearing, quiet casters (two swivel and two swivel with brake) make cart easy to maneuver and reduce noise
- Stainless steel construction for strength and durability
- 6.2 cu. ft. lockable storage cabinet keeps chemicals secure
- Increased productivity due to large capacity — fits everything needed for a shift and eliminates multiple trips to storage closet
- 14 tool holders to safely secure mop handles, dust mops, brooms and more
- High-quality, non-marking corner bumpers
- Access ramp has anti-slip strips and flips up for moving and storing of cart
- Heavy duty tool holder for larger equipment
- 10-year limited warranty
- Patent pending

Dimensions

Ramp Raised:

60"L x 36"W x 44"H

Ramp Lowered:

60"L x 59"W x 44"H

Shipping

- Cart ships partially assembled
- Shipping weight is 250 lbs.
