

EVS Cart Accessories

MODEL #3101-118-21-31-42-51
Enterprise® EVS Cart with Standard Bag,
18" Flip-up Tray, Trash Lid with Tablet Holder,
and Optional Space Station®

Our Space Station® Cart-top Locking Console allows for chemicals to be stored on top of the cart and locked securely when the cart is unattended. In addition, it allows for “visible organization” of all products to assure that the cart is correctly stocked and organized carts.

MODEL #3885
Patent #945276

Our powder-coated tablet holder is compatible with both mobile devices and tablets. Locks with the Geer-Key® Locking System for additional security.
