

CAT G7 Backpack Fluid Applicator

Designed for comfort and efficiency, our completely self-contained microfiber system is lightweight with an ergonomic backpack.

STANDARD FEATURES:

- 1 Backpack design has a sturdy construction and breathable mesh inserts to help keep the user cool. It has an adjustable chest, waist and padded shoulder straps to comfortably hold the backpack in place.
- 2 Lightweight powder-coated aluminum handle.
- 3 Swivel trigger moves with the operator's natural movements, making it more ergonomic and allows for continuous flow.
- 4 Dual outlet dispenses fluid at a 90° angle to eliminate liquid collecting on the mop frame.
- 5 18" models come with a 16" Cling-On® Plastic Flat Mop Frame—Velcro®-Free. Lightweight and corrosion-resistant. *Velcro® is a registered trademark of The Velcro Company.*
- 6 Refillable Chemical Bags have a 1.5-gallon capacity, are easy-to-fill and install, and can be filled with virtually any non-acid floor care chemical.
- 7 Easy Flow Ball Valve improves flow by 20% and allows for adjustable flow rate.

STANDARD KIT INCLUDES:

56-½" Powder-coated Aluminum Handle Assembly, Flat Mop Frame, 7' Chemical Feeder Hose with Cap and Connector, Backpack, Refillable Chemical Bag (1.5-gallon capacity), and Premium Microfiber Finish Mop
