

Upgrade at No Additional Expense

Upgrade to a single-use supply contract and save up to 50% on the Enterprise® EVS Cart.

For a limited time, Geerpres® will provide a discount of up to 50% on retail MSRP to the end-user on Enterprise® EVS Carts with a commitment and upgrade to our Advantex® Single-use Mops. Options also include our Advantex® wipes, dusters, strap mops, Loo-Mop, floor dusters, and high-absorbency flat mops. Our Advantex® flat mop has proven best-in-class efficacy, non-binding, and sustainability claims.

UPGRADING MAKES BUSINESS SENSE:

- Eliminate Laundry Service for EVS by converting to the entire Geerpres single-use product line
- Increase efficacy, sustainability, and efficiency with the best single-use mops, wipes, and dusters
- Improve professional appearance with the best durability, sustainability, and efficiency with the highest quality EVS carts

APPLY TODAY

EVS cart upgrade discounts and volume will be determined based on a contracted tenure and committed volume/number of single-use products purchased. Purchases will be made through our preferred distributors. Geerpres® and distribution will determine the end-user pricing. Carts will be provided/shipped at the agreed level over the term of the contracted supply purchase. Carts will be shipped to include our new Advantex® charging bucket, an integrated design for the Enterprise® EVS Cart, saving chemistry, and ideal for use with the Advantex® Single-use Mop.
