

ONE HANDLE SYSTEM FOR ALL JOBS

Geerpres® Quick-Connect Creates Universal Tool

GEERPRES® QUICK-CONNECT MULTI-PURPOSE CLEANING SYSTEM

Commercial cleaning professionals have many challenges and uncertainties in their day-to-day work; therefore, equipping their cleaning service cart is equally challenging. We developed our Quick-Connect multi-purpose cleaning system to eliminate this challenge and improve efficiency. Imagine only needing one handle for all cleaning jobs.

① CHOOSE A HANDLE LENGTH

We offer two handle sizes compatible with any Geerpres® Quick-Connect attachment. One handle works for sweeping, mopping, or dusting from floor to ceiling.

72" Telescoping Aluminum Handle
MODEL #4800 (case of 12)

92" Telescoping Aluminum Handle
Autoclavable
MODEL #5009 (case of 12)

② CHOOSE YOUR TOOLS

Customize your cleaning for your facility needs. We provide high-dusting, wall-washing, and floor mopping solutions.

Our Quick-Connect locking system was designed for quick and secure tool changing. Impress the locking push pin, remove the head attachment, and snap on your new cleaning tool.
