

ADVANTEX® PRODUCTS

The Advantex® product line is purposefully engineered to meet the rigorous demands of healthcare, cleanroom, and food service environments. Our comprehensive approach centers on creating value, enhancing efficiency, and advancing sustainability.

ADVANTEX® SINGLE-USE MICROFIBER MOP

Microfiber locks and lifts bioburden, dirt and contaminants away for efficient and effective cleaning. Our mops have a significantly lower environmental impact than reusable laundered mops. **MODEL #4831**

ADVANTEX® SINGLE-USE STRAP MOP

Compatible with all Geerpres® wringers, the Geerpres® DynaMate®, and most traditional mop holders. Featuring a 1.5" band and microfiber straps, it absorbs up to 84 oz. of fluid—ideal for quickly managing large spills. **MODEL #4852**

ADVANTEX® MICROFIBER LIMITED-USE XL MOP

Designed for easy use and disposal. It quickly attaches to and removes from flat mop head frames, making it ideal for facilities without access to laundering equipment. While intended for single-use, it can be reused multiple times—and even laundered up to three times—before disposal. Perfect for tile floors, rough surfaces, general mopping, and finish applications. **MODEL #4828**

ADVANTEX® SPILL MOP

Compatible with the 16" Advantex® Mop Frame (Model #4713) and standard Velcro® flat mop frames. Designed for quick response cleaning, it absorbs up to 32 oz. of fluid in just 2–4 minutes—without the need for a bucket or wringer. The mop securely contains liquid, preventing drips or leakage from the floor to the trash. **MODEL #4830**

ADVANTEX G8 MICROFIBER APPLICATOR SYSTEM

The Advantex G8 features a revolutionary large-capacity (32 oz.) removable tank for quick, easy refills. A dual outlet ensures uniform chemical application and precise flow control—boosting EVS efficiency and performance. **MODEL #200020**

ADVANTEX® SPILL PAD (14" X 14")

Absorbs up to 1 gallon of water-based liquid in minutes. Ideal for waste bins or utility trucks. Leak-free even when full. Designed for multi-day use without drips or leakage—even when removed from bins or utility box trucks. Patent Pending #63/549269 **MODEL #4841**

ADVANTEX HIGH DUSTER TOOL

Telescoping aluminum handle extends from 42" to 72" for easy access to high areas. Works with the Advantex® Single-use High Duster Sleeve and a flexible high duster frame featuring a quick-connect system for versatile, multi-purpose cleaning. **MODEL #100113**

ADVANTEX® PRODUCTS

ADVANTEX® SINGLE-USE MICROFIBER WIPES

Compatible with all disinfectant solutions and offer exceptional durability, absorbency, and release in a convenient single-use format.

WIPE CONSTRUCTION FEATURES:

- Compatible with all disinfectants, including quats, chlorine and peroxides
- Non-linting, USP 797 compliant
- 70 GSM (1/4 folded wipe) and 48 GSM (rolled wipe) hydroentangled, synthetic microfibers

MICROFIBER PERFORMANCE FEATURES:

Superior option to eliminate cross-contamination risks for critical area cleaning

- Excellent absorbency, release and square foot coverage in a durable single-use wipe - will not rip/tear
- Effective, consistent bio-burden removal (3-4 log)

DISPENSER: ADVANTEX 1/4 FOLD WIPE

Designed to hold a 50-pack of Advantex® 1/4 Fold Microfiber Wipes (Model #48424, sold separately). Add your preferred cleaning chemistry or use dry. The flip-hinged lid securely attaches to the bucket for convenient access. (10"L x 8"W x 5"D)

DISPENSER: ADVANTEX ROLL WIPE

Compatible with both the 6" x 8" (Model #48426) and 10" x 12" (Model #48421012) refill rolls (sold separately). Use with your preferred cleaning solution or dry.

THE ONLY SUSTAINABLE ADVANTEX® LOO-MOP

A sustainable alternative to traditional toilet brushes, the Advantex® Loo-Mop features a bamboo handle and is made entirely from 100% biodegradable materials. Its innovative design allows for durable multi-use while maintaining the hygiene benefits of a single-use product. By eliminating plastic components, it helps reduce environmental waste and significantly lowers the risk of cross-contamination in critical cleaning environments. **Patent# 18216326 MODEL #4855**

ADVANTEX® MICROFIBER HAND DUSTER

The Dust Hero's professional-grade microfiber traps dust, grime, and bacteria—instead of just moving it around. Its dense duster head fits tight spaces, and the extendable handle reaches high areas with ease.
