CLEANING CHALLENGES: SOLVED

We partner with cleaning building service contractors to provide them with professional cleaning solutions and support to improve efficiency, cleaning quality, and customer satisfaction while also addressing challenges like cost control.

Creating value and efficiency is at the heart of a comprehensive approach to cleaning industry solutions. The Geerpres® system includes quality, warrantied products, hardware, and advanced supplies paired with a leading EVS software management program.

MAIN CHALLENGES:

- Floor Maintenance
- Restrooms
- Trash Management
- Surface Cleaning
- Cleaning Carts

THE GEEPRES DIFFERENCE:

Innovative cleaning solutions, it's what we do. Geerpres® is much more than a cleaning product supplier; we continually improve and create new clean systems to solve our customers' challenges. We welcome our customers to bring us cleaning challenges, and together, we find or develop solutions.
